

Fall 2018

Dear Cubbies Parents,

Thank you for bringing your little one to AWANA at Lockport Alliance Church! We would like to point out a few things to familiarize you with your Cubbie's Honeycomb book.

- Your cubbie will earn patches for their vest and a ribbon at the end of the year award ceremony if they complete the Bear Hugs each week in their books.
- There is a letter for you to read on page 2 and 3 of the book that explains how to complete a Bear Hug at home with your cubbie each week between AWANA nights.
- Each Bear Hug has a verse to memorize. You will need to help your child learn the verse. Repeating the verse with your child during the week has proven to be effective. Each child will meet with a leader on Wednesday night to recite the verse individually.
- There is an audio download available of the book to follow along with the stories and practice the verses to be memorized. There is also a cubbies app available.
- There is a schedule inside the front cover that lists the Bear Hug (memory verse) for each week.

If you have any questions we would be happy to answer them. We're so grateful to have your child here, because kids matter to God!
